JigsawBox™

JigsawBox Affiliates

If you like JigsawBox, and know others coaches, consultants and trainers that could benefit from delivering their expertise online, you can earn commissions for referring people to our site.

30%

We're really keen to get the word out there about JigsawBox, so we are currently offering you a **massive 30%** of every single monthly subscription fee paid by any new JigsawBox owner referred by you to JigsawBox Solo and 30% to any JigsawBoxer referred by you that uses our Team, Pro or Max accounts.

[Just click here to sign up.](#)

We also offer a 5% second tier commission as well. That means if you refer someone to JigsawBox who then refers other coaches to us, you'll receive 5% of the monthly subscriptions of their referrals too!

That's for every month that the person you refer remains a JigsawBox owner. Not a bad passive income stream!

Free, Simple And Easy

Our affiliate programme is free to join and simple to use. We'll give you the links you need in order to start promoting and even send you some tweets you can send out with your affiliate links.

You will receive your affiliate payment every 30 days via Paypal provided that you have generated a minimum of \$50 in commission each month. Any commissions below that level will be carried over to the following month.

The process is extremely quick and simple and you'll receive your affiliate link by email straight away, so get promoting!

We look forward to a great partnership with you.

Pay Yourself Back

You only need 3 (and a half!) referrals each month to cover the cost of your JigsawBox Monthly Solo Subscription.
